Click on the Vendor tab and then on the Vendor Signup/Registration bullet. **eVA** offers both online and paper registration.

Make sure to include all Commodity Codes that represent the goods or services you provide.

Commonwealth of Virginia entities solicit goods and services through **eVA** using Commodity Codes which are specific to the type of goods and services the entities are seeking.

Small, Woman or Minority (SWAM) owned businesses can be certified through the Virginia Department of Minority Business Enterprises and obtain Preferred Vendor status in **eVA**. Please see the below website for more information on registering as a SWAM business.
