

I-495 SOUTHSIDE TRANSIT/TDM STUDY

The Virginia Department of Rail and Public Transportation (DRPT) is conducting a transit and transportation demand management (TDM) study for I-495 Southside, or the Capital Beltway, to identify a range of solutions that can be implemented to **reduce congestion**, improve **trip reliability** and **regional connections**, and enhance existing and planned **multimodal mobility** and **connectivity**.

To learn more and to provide feedback, complete the survey by scanning the QR code or by visiting <https://bit.ly/I495TransitTDM>
