

TRIP – Public Safety

Project Information

The safety of transit riders, operators, and employees is a priority of the state of Virginia. To improve safety on and accessing transit for riders, and to improve safety for the transit workforce in delivering transit service, TRIP funds public safety equipment, infrastructure, as well as public safety initiatives/planning. See the most updated DRPT Blue Book for guidance on eligible projects and email TRIP@drpt.virginia.gov if you have further questions.

Project Type:

Please give a detailed description of the project, project deliverables, milestones, and end product.

Project Description:

Please give a projected total project cost.

Project Cost:

For public safety programming and training, please either attach supporting certifications and/or curricula in your application email, or describe the anticipated knowledge, skills, and abilities for transit operators, mechanics, staff and partner organizations like local fire and police departments.

Project Goals and Curricula:

For capital projects, please either attach a map file in your application email, or provide an address, x/y coordinates, or a description where the project is located. If the project includes multiple locations, please indicate all of them.

Project Location:

Project Schedule

Mandatory Milestones:

Project Start:

Project End:

Mandatory Milestones for Construction:

Is this a Construction Project?

If yes, provide the following milestone information:

Date RFB-IFB Out for Bid:

Date Contract Awarded:

Date Construction Begins:

Date Construction Completed:

Date of Final Expenditure:

Date Project Complete - Project Closeout:

Project Justification

Provide detail of the demonstrable need that this project will support.

Project Justification:

Provide high-level detail on how this project will enhance perceived and actual safety for riders and or transit agency operators and staff.

Project Impact:

Attachments

Mandatory Attachments: Independent Cost Estimate – For all capital projects, please attach to your application email to TRIP@drpt.virginia.gov

Other attachments: Please also attach relevant planning, community outreach, and engineering/design work that may aid your proposal.
